# Meet our team

**Fabrizio RANIERI**  
CEO

Graduated in Administrative Political Science at Sapienza University in Rome.

He has several years of experience in the management of European projects, such as Leonardo da Vinci, Erasmus, Youth in Action, programs that require a high-level knowledge of European policies. He has expertise in national and community planning, in particular regarding training programs and youth employment. He has an extensive experience in organizing training courses and internships in institutions and companies in Italy and abroad as well as over ten-years of expertise in the establishment of partnerships at national and European level.

He got an Economics degree from the University of Bologna. He has experience in the accounting management of European projects, in particular projects in Leonardo da Vinci and Erasmus +. He has management skills of human and financial resources in the European context. He has been involved in the creation of several European projects and knows perfectly about the accounting procedures for Italian and European projects. He possesses high skills in communication and in the use of the media for sharing and dissemination of project results.

**Giovanni TATARELLI**  
CEO,  
Administration &  
Head of Logistics

**Sarah Julie HEYMANS**  
EU Project  
Manager

Graduated at the University of Ghent in the Master of Arts in Applied Linguistics in Foreign Languages with a focus on Multilingual Communication for businesses. She brings a strong Belgian background and a multicultural perspective to her work. After completing a six-month Erasmus period in Northern Italy, she decided to move to Italy, gaining first-hand experience in cultural adaptation and international mobility. She has knowledge of Dutch, English, Italian and French. Within AMFI, she is responsible for project implementation and communication with international partners. She ensures open and transparent communication in all phases of the project keeping all parties involved and informed.

Graduated in Languages and Foreign Cultures and in Public, Digital and Business Communication at the University of Perugia, within AMFI he takes the role of Incoming Coordinator. He organizes the selection and internship placement in companies for the incoming participants in the framework of EU projects managed by AMFI, he creates the programmes and the cultural activities for the incoming groups. He supports the incoming project flow, thanks to his problem solving skills. He can be contacted in Italian, English and Spanish.

**Pierluigi Nolletti**

Incoming  
Coordinator

**Arianna Babusci**

Project Management  
Assistant & Cultural  
Support

Graduated in Foreign Languages, Literatures and Cultures, she is fluent in Italian, English, French and Spanish. She has the first contact with participants through an online pre-departure meeting. She takes care of the Welcome Meeting with participants on the first day after arrival providing the necessary information; she also accompanies them during company visits and their project activities, assisting throughout the project and helping them gain firsthand experience of the professional world. She is also responsible for the administration and documentation, creating the necessary paperwork for Erasmus+ projects.

Graduated in Languages, Comparative Literature and Intercultural Translation, she has many international and professional experiences through different activities involving tour assistance, customer support and museum services. She speaks fluently Italian, Spanish and English. In AMFI, she uses this interpersonal and organizational skills with the groups, assisting them during the project and accompanying participants into the internships companies.

**Cristina Colantonio**

Project Management  
Assistant & Tutor
