## D. BACKGROUND & EXPERIENCES

<b>Presentation</b>	<p>AMFI is a company specialized in managing international training programmes. It promotes non-formal educational projects and activities within the framework of the major European Programmes in the belief that the richness of the European Union lies in the cultural diversities of its members. AMFI, for many years, has been supporting and encouraging international mobility in Education as a tool to promote intercultural dialogue and mutual understanding. AMFI cooperates with public and private institutions to deliver the following experiences in Italy:</p> <ul style="list-style-type: none"><li>- internships</li><li>- job shadowing</li><li>- teaching assignments</li><li>- KA1 training courses</li><li>- school exchange programmes</li><li>- and more</li></ul>
---------------------	---

<p><b>What are the activities and experience of the organization in the areas relevant for this application?</b></p>	<p>AMFI boasts a consolidated experience as Sending, Intermediary and Hosting Organization within the framework of the main European Programmes: LLP – Lifelong Learning Programme, Youth in Action, Erasmus Placement, Europe for Citizens, professional educational activities, non-formal education, Youth Exchanges, Job Shadowings, Intercultural Exchanges and more. AMFI implemented several projects that have foreseen a collaboration with local institutions, such as schools, organizations and associations. Through these projects, young people were engaged in training with the aim to share professional knowledge and improve their personal experiences by confronting with other participants’ experiences, carrying out role-plays and so on. Furthermore, youngsters acquired new information about the use of modern ways of communication. At the end of these projects, participants felt enriched both as EU citizens and as future professionals. All the projects that we ran can be seen here: <a href="https://www.amfinternational.org/our-projects">https://www.amfinternational.org/our-projects</a>.</p>
